RFP SCHEDULE

OUTLINE OF PROPOSALS

Segments 1, 2 and 3

In RFP Addendum No. 4, WSF included a revised RFP Schedule for segments 1, 2 and 3. WSF provides the following clarification regarding the "Outline of Proposals" event in the RFP Schedule for service segments 1, 2 and 3.

The Proposal Outline should be a basic document that provides a quick overview of the intended proposal. The Outline should cover each of the following Evaluation Factors set forth in RFP Volume 1, Part 5, Section B: Background and Qualifications; Concept Development; Concession Fees and Business Analysis; and Operations. Substantive details can be reserved for the actual proposal to be submitted at a subsequent date.

WSF will use the Proposal Outline to determine the level of interest in the service segments and to provide advance notice if there are any issues that must be addressed or clarified with the prospective proposer prior to development of a substantive proposal. WSF will not evaluate or rank firms based on the Outline, so prospective proposers are encouraged to keep the Outline short and concise.

Please note that the Due Date for the Proposals Outlines for segment 1, 2 and 3 remains close of business (5:00 p.m.) on Friday, January 30, 2004. WSF reserves the right to reject proposals from firms that do not meet the Proposal Outline Due Date. For expediency, proposers may initially fax their Proposal Outlines to: 206.515.3605, with the original addressed to Tim McGuigan, Contracts / Legal Services Manager, at the above WSF address (inquiries: phone 206.515.3601).
